Documentation of Dynamic Pricing and Discounts

Installation of Dynamic Pricing and Discounts

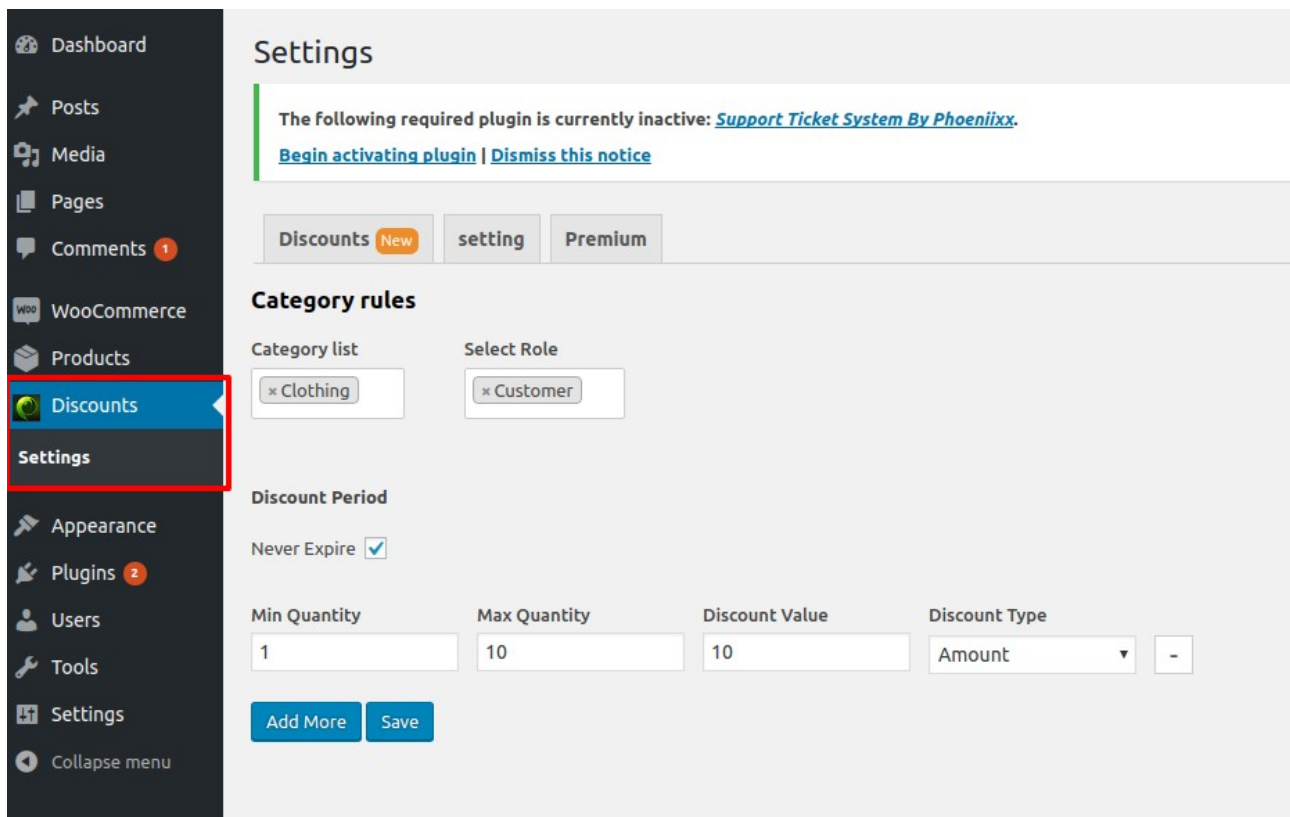

Installation

- 1) Install Word Press from http://codex.wordpress.org/Installing_WordPress.
- 2) Upload via FTP: - Unzip the zip archive you have downloaded on your computer. Upload the folder to your server via FTP into the directory plugins on your Word press installation (wp-content → plugins).
- 3) Upload via Word press Admin: - Go to your WordPress admin panel, and then to Plugins. Click on "Add New" and then upload the zip file of the plugin using the "Upload Plugin" button you can find on top of the screen.
- 4) For the plugin to work as it should, Woo Commerce plugin has to be installed and enabled.

Activation

Once you have uploaded the plugin, activate your plugin in Plugins → Installed plugins.

If it has been activated correctly, plugin control panel is available in the tab **Discounts** in WordPress dashboard.

General Settings

1. You can add discounts on a particular category
2. You can add discounts based on a user role.

Settings

The following required plugin is currently inactive: [Support Ticket System By Phoenixx](#).

TOTAL	\$2,260.00

You can add discounts on a particular product also.

The screenshot shows the WordPress admin interface. On the left is a sidebar menu with options like Media, Pages, Comments, WooCommerce, Products, All Products, Add New, Categories, Tags, Attributes, Discounts, Appearance, Plugins, and Users. The main content area is titled 'Product data — Variable product'. It includes a 'Select Role' dropdown set to 'Shop Manager', a 'Discount Period' section with 'Never Expire' checked, and a table for defining discounts. The table has columns for 'Min Quantity', 'Max Quantity', 'Discount Value', and 'Discount Type'. Two rows are shown: one with Min Quantity 2, Max Quantity 5, and Discount Value 5; another with Min Quantity 6, Max Quantity 10, and Discount Value 2. Both rows have 'Percentage' selected for the discount type. An 'Add More' button is located below the table.

Frontend View

The screenshot shows the frontend cart page. At the top, a message says 'Cart updated.' Below is a table with the following data:

	PRODUCT	PRICE	QUANTITY	TOTAL
×	Clothing	\$750	2	\$1,500.00
×	T-Shirt	\$250 \$237.50	2	\$475.00 [5% Discount]

Below the table are buttons for 'Coupon code', 'Apply coupon', and 'Update cart'.

Cart totals

SUBTOTAL	\$1,975.00
SHIPPING	Calculate shipping

If the Coupon code is applied then the bulk discounts will be removed.
